

**CITY OF GARDEN GROVE  
MEMBER OF THE CITY COUNCIL**

**JANET NGUYEN**

**OCCUPATION:** Planning Commissioner/Businesswoman

As a Garden Grove Planning Commissioner I have helped turn community problems into neighborhood solutions. I've worked with our fire and police departments to make our families safer. I've worked with community leaders to promote responsible development. I want to continue that work as your city councilmember.

Having graduated from Garden Grove High School and the University of California at Irvine, I share your concerns for quality education, safe schools and neighborhoods.

As your neighbor, I share your concern for the character of our community. I will fight for responsible growth that promotes our quality of life.

As a taxpayer, I pledge not to burden you with a utility tax. I will fight to keep water rates and trash fees low. I vow to keep city government open and accessible to all residents.

As a small businesswoman, I know what it takes to keep our city competitive. I will cut waste and abuse in government.

I am endorsed by Garden Grove's Assemblymembers Ken Maddox and Tom Harman, District Attorney Tony Rackauckas, Garden Grove Mayor Bruce Broadwater, and the Garden Grove Firefighters.

As your councilmember, I will endeavor to earn and retain your trust everyday.
